DNA

- **Restless Spirit:** constant exploration in all we do.
- **Winemaking:** Focus and quality of every step in the winemaking process.
- A versatile portfolio that conveys energy, freshness and complexity.
- **Inspired by women:** Ruca Malen means the young woman's house in the Mapuche language.
- **Sustainability:** a commitment to land conservation, using the most sustainable techniques possible.

RUCA MALEN : CAPITULO TRES

- Every great story is divided into chapters and Ruca Malen Capitulo Tres reflects the human connection to nature to achieve the best wine possible.
- Focus on winemaking techniques to achieve different expressions of each varietal.
- We explore how terroir and winemaking techniques can create diverse Malbecs, showing there is no single version of Argentina's flagship varietal.
- Vineyards from different regions of Lujan de Cuyo and Uco Valley contribute diverse aromas, flavors and textures, adding to the complexity of our wines.
