- VARIETAL
100% Pinot Noir

- APPELLATION
Los Arboles, Tupungato, Uco Valley, Mendoza.

- VINEYARD
Vineyard located at 1400 m.a.s.l., where we find a colder climate. The most rainy area in Mendoza. Soils are poor and deep, of alluvial origin, ranging from clay to sandy with different percentages of silt and stones in depth.

- WINEMAKING
Hand harvested and manual selection in the vineyard and winery, during the first week of March. Fermentation happens in small stainless steel vats and tanks, filled by gravity and with only 10-20% of whole clusters. A cold maceration is carried out for the first few days, to extract colour and fruit. Then the alcoholic fermentation begins, where gentle stomping is carried out for a delicate extraction.

The wine is aged in used French oak barrels for 8 months.

- TECHNICAL INFO
Alc. 13,5% Total Acidity 5,2 g/l Res. Sugar 1,8 g/l

- TASTING NOTES
Pure and complex on the nose, with aromas of raspberries, blueberries and some herbal touches, combined with notes of graphite and fresh herbal hints. On the palate the wine is well balanced and elegant, with fine-grained tannins. Textured and complex. The finish is long and subtle.
